

# 4<sup>th</sup> Annual OCF All Florida Poker Run 2010

It's time again to get out the cameras and take some pictures of your Oldsmobile. I've put together a modified Poker Run so that everyone in the club can participate. This Poker Run will be completed by taking photographs of your car (and maybe you and your car) at various locations. I tried to think of generic locations that can be found locally to everyone throughout the state, so that you can get your Olds out and over a couple of months take pictures at each spot. These pictures will be e-mailed to me or mailed on a photo CD and I'll put together a DVD slide show to share with all who participated. I will not be able to scan printed photos this year – only digital photos please. The Poker hand cards will be drawn at the May or June 2010 OCF meeting and the winner(s) will be determined by at least two members who are well versed in poker rules. Special recognition will be given to everyone who completes all 10 locations. If you cannot attend the meeting you will still be dealt a hand and will be notified of any award/prize.
